

Bureau of Land Management
Rock Springs Field Office
Attn: Kimberlee Foster
280 Highway 191 North
Rock Springs, WY 82901

January 17, 2024

The Montana Public Policy Center comment in opposition to Rock Springs Field Office's Resource Management Plan.

The Montana Public Policy Center ("MPPC") is a non-partisan, non-profit organized to promote public policy solutions that provide increased access to economic opportunities, greater individual freedoms and encourage greater participation in public matters.

We agree with the attached comment letter submitted by Mountain States Legal Foundation, which we are re-submitting here as our own comments.
